Pennsylvania State Capital - Harrisburg

Survey: COVID-19 Significantly Impacted South Central PA Manufacturing

MANTEC Manufacturing Survey Finds Significant Impact from COVID-19

- The majority of manufacturers saw a negative impact on sales with **an average loss of 40 percent**
- **Fifty-one percent** were not able to maintain staffing levels.
- **Sixty percent** saw disruptions in their supply chain.
- The survey included **95 manufacturers** over seven South Central Pennsylvania counties.

MANTEC is a private, nonprofit manufacturing service provider located in South Central Pennsylvania and a member of the Pennsylvania Economy League!

PEL's Signature Issues Forum Event is Going Online

**COVID-19's Impact on Commonwealth
Communities**
Oct. 15, 8 a.m. to 9:15 a.m.

The Pennsylvania Economy League and the Harrisburg Regional Chamber are teaming up to present a statewide, virtual Issues Forum on COVID-19.

Panelists: C. Kim Bracey, Executive Director, DCED, Center for Local Government Services; David Black, President and CEO, Harrisburg Regional Chamber & CREDC; Dr. George Dougherty, University of Pittsburgh Graduate School for Public and International Policy.

Are communities experiencing revenue losses, layoffs or service cuts? How can local businesses and municipalities work together to overcome pandemic challenges?

Our expert panel moderated by **LeeAnne Clayberger, PEL CEO**, will discuss lessons learned and new challenges from COVID-19.

Learn how local governments have been impacted and the steps they have taken to mitigate COVID-19. **Phil Klotz, PEL Director of Government and Community Affairs**, will share results from PEL's recent municipal survey on COVID-19 conducted in cooperation with Pennsylvania's municipal associations.

You will receive a Zoom link for the Issues Forum by email a few days before the event.
